RE: **WCCX(FM), Waukesha, WI**
Facility ID No. 68288
Silent since May 31, 2022
Request for Extension of Special
Temporary Authority to Remain Silent

Dear Mr. Teslik:

This letter concerns the request you filed on January 30, 2023, on behalf of Carroll University, Inc. (CU), for extension of Special Temporary Authority (STA) to permit FM Radio Station WCCX to remain silent.

Commission records reflect that CU stated that Station WCCX(FM) went silent on May 31, 2022, for financial reasons. The previous STA was granted on August 15, 2022, and expires on February 14, 2023. CU requests extension of its STA for continuing financial reasons.

CU's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WCCX(FM) to remain silent until May 31, 2023. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WCCX(FM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., June 1, 2023.**¹

CU is required to notify the Commission when broadcast operations resume. If CU does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Victoria McCauley
Attorney, Audio Division
