Re: WSJT-LD

Exhibits for Application for Renewal of License

Exhibits:

Rebroadcast Status:

WSJT-LD does not rebroadcast any other station's programming.

We originate all our programming. Additionally, we air children's programming supplied by a syndicator which meets the FCC's requirements for children's programming. We also air, as a public service, local public meetings from throughout our region.

Rebroadcast Consent:

Since WSJT-LD does not rebroadcast any other station, no rebroadcast consent is required.
