

**WBPH, Philadelphia, PA (Fac. Id 60850)**  
**Renewal Application**  
**Ownership Report Explanation**

WBPH has responded yes to this certification because after reviewing emails from its former counsel, it appears that the 2015 biennial ownership report was timely filed on December 2, 2015 but then dismissed apparently because payment had not been made. A replacement report was later filed on January 6, 2016. WBPH notes that during any period between December 2, 2015 and January 6, 2016 when the station's 2015 report may not have been available to the public in the station public file, the status of the station's non-profit board of directors remained unchanged from the 2013 biennial ownership report which remained available.
