Application for License Renewal

EXHIBIT RE: SILENT STATUS

As set forth in File No. 0000204946, station KJOU-LD, Bakersfield, CA (“Station”) was silent between November 14, 2022 and January 12, 2023, as it was awaiting delivery of new equipment. The Station resumed operations pursuant to File No. 0000206838.

Grant of this license renewal application would be in the public interest because: (a) the Station was off the air only for a short period over the preceding eight-year license term; and (b) during the entire period that the Station has been on the air, it has provided excellent programming to viewers in its community of license and surrounding areas.
