Good afternoon,

I began to review 0000210808 (W28EZ-D) and found that this 2009-2010 rural LPTV window permit is within 121 km of the coordinates for Jacksonville, FL. Specifically, it is 106.7 km away, and as such, it cannot be granted. See the PN announcing the window here: <https://docs.fcc.gov/public/attachments/DA-09-1487A1.pdf>

You have 30 days to amend the application and resolve the issue or else the application will be dismissed.
