Silent STA Request

On March 1, 2023, the above captioned facility has gone silent due to a loss of their transmitting facility. The licensee is currently in the process of searching for a new site to broadcast from, at which time, they will file a modification application for a construction permit.

The licensee anticipates that this process will take over 30 days.

Therefore, the applicant is requesting Special Temporary Authority to remain silent as of March 1, 2023.

Respectfully submitted,

/S/
