Sinclair-California Licensee, LLC

Redding, CA**

**EXPLANATION OF CIRCUMSTANCES**

Sinclair-California Licensee, LLC (“Licensee”), licensee of station KRVU-LP) (Fac. ID No. 40203) (the “Station”), hereby notifies the Commission that the Station temporarily suspended service on February 28, 2023, and requests Special Temporary Authority (“STA”) to remain off the air while repairs are made.

KRVU-LP went off the air on February 28, 2023, after losing the incoming microwave feed from the studio. With limited weather windows the estimated repair timetable is 60-90 days.

The grant of the proposed STA will serve the public interest by allowing the Station to continue to provide service to the public. Therefore, the Station requests silent STA until such time as the Station makes required repairs and can resume operations at authorized power. Repairs are expected to be completed within 90 days. Licensee will promptly notify the FCC when repairs have been completed and the station resumes operations.
