E/I Symbol and Core Programming

RNN National, LLC (“RNN”) is the current licensee of WTVE(TV) (the “Station”). On January 31, 2020, the license for WTVE(TV) was assigned to RNN pursuant to a long-form assignment of license application. *See* FCC File No. BALCDT-20191206ADE. While RNN is not responsible for issues that arose under the prior owner, in an abundance of caution, RNN hereby discloses that under the prior owner, the Station’s third and fourth quarter 2015 Children’s Television Programming Reports show that the programming on two of the Station’s multicast streams did not have the E/I symbol. Because of the missing E/I symbol on the two multicast programming streams, RNN notes that the Station was deficient in core programming on those two multicast streams for the third and fourth quarters 2015.
