Request for Silent Special Temporary Authority

Williams, OR**

**EXPLANATION OF CIRCUMSTANCES**

KTVL Licensee, LLC (“Licensee”), licensee of station K14TH-D (Fac. ID No. 22562) (the “Station”), hereby notifies the Commission that the Station temporarily suspended service on March 7, 2023, and requests Special Temporary Authority (“STA”) to remain off the air while repairs are made.

K14TH-D was forced to temporarily suspend service on March 7, 2023, following a major storm that swept through the region on that date. The station ran out of propane to run the generator and roads are inaccessible due to the storm. With limited weather windows the estimated delivery timetable is 60-90 days.

The grant of the proposed STA will serve the public interest by allowing the Station to continue to provide service to the public. Therefore, the Station requests silent STA until such time as the Station can resume operations at authorized power. Repairs are expected to be completed within 90 days. Licensee will promptly notify the FCC when repairs have been completed and the station resumes operations.
