

Explanation for Resubmission of Covering License Application for Channel Sharing DTS Facility

WEDW, Stamford, CT, Facility ID 13594

WZME, Bridgeport, CT, Facility ID 70493

The instant DTS Covering License Application is filed in lieu of License Application LMS File No. 0000210960, submitted 2/17/2023, at the request of FCC staff to resolve a problem with the LMS filing system. LMS File No. 0000210960 is concurrently withdrawn. The applicant understands that the instant application will be processed as though filed on 2/17/2023, instead of the previously filed application.
