Good afternoon all. I would like to notify the Commission that station KVHC-LD, San Antonio, Texas (Facility No. 125586) has resumed operations pursuant to the terms of its license, File No. 0000184930, and that its Engineering STA no longer is necessary.

However, I do not see an option in LMS for providing that notification. When you get a chance, can you please work your magic so that I can make this filing? Many thanks!

- Mark
