**Re: FM Translator W231EF, Toledo, Ohio (Facility No. 138974)
Notice of Resumption of Operations**

Dear Ms. Dortch:

By this letter, Relevant Radio, Inc. (“RRI”), the licensee of FM translator station W231EF, Toledo, Ohio (Facility No. 138974) (“W231EF”), is providing notice that W231EF resumed operations pursuant to the terms of its license, File No. 0000193183, on **October 24, 2022**.

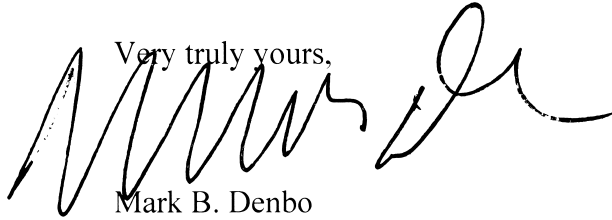

On October 24, 2022, RRI commenced providing programming to AM station WPAY, Rossford, Ohio (Facility No. 40858) pursuant to a Time Brokerage Agreement (“TBA”) between RRI and the former licensee of WPAY-W231EF. Prior to the entry into the TBA, W231EF had been off the air. At the time that the TBA was entered into, RRI was the proposed assignee of WPAY-W231EF, pursuant to File No. 0000202460. The former licensee inadvertently did not file a notice of resumption of operations for W231EF, and RRI consummated the acquisition of WPAY-W231EF on December 21, 2022.

Upon discovering the paperwork error, RRI sought to file a resumption of operations for W231EF in LMS; however, LMS does not permit a party to input a resumption date that is more than 45 days prior to the date of the filing of the notice. Therefore, pursuant to a suggestion from a member of the Commission’s staff, RRI is requesting that the Commission update its records to reflect that W231EF resumed operations pursuant to the terms of its license, effective **October 24, 2022**.
