

### K22JS-D License Renewal Silent STA Exhibit

K22JS-D, FCC Facility ID No. 181958, Ashland Pass, OR (the “Station”) is currently silent, and was silent for one previous instance during the license period. While LPTV Stations are not subject to required minimum hours of operation under the FCC’s rules, the station nonetheless filed all required applications for silent STAs in compliance with the FCC’s rules.

First, the Station filed a silent STA on April 6<sup>th</sup>, 2020, with the station silent as of March 23<sup>rd</sup>, 2020 while 3.0 (next gen) authorization applications were prepared, and related procurement and installation of equipment. The STA was extended on September 21<sup>st</sup>, 2020 because COVID-19 limited the Station’s ability to obtain the antennas and transmitters was severely limited, along with wildfires that limited access to transmission sites. The government also prohibited access to some sites due to active fires, threats of fires, and severely unhealthy air quality. A resumption notice was filed on March 16<sup>th</sup>, 2021.

The second silent STA was filed on August 9<sup>th</sup>, 2022 so the Station could prepare for 3.0 (next gen) authorizations and have the necessary equipment delivered and installed. It is still active.
