

# **Engineering Statement**

## **Minor Change to CP for K33PR-D**

### **Proposed Changes:**

Change back to a omnidirectional antenna and a small decrease in EIRP.

### **Environmental Statement:**

Antenna will be installed on an existing wooden pole and the equipment installed in an existing building. No construction is involved. The site is an existing antenna farm.

### **Radiation Compliance:**

Non-ionizing radiation at ground level head height is less than the allowable public exposure limit. No special precautions are required.

Respectfully submitted,
