

Engineering Statement

Minor Change to CP for K32NN-D

Proposed Changes:

Change back to a omnidirectional antenna and a small decrease in EIRP.

Environmental Statement:

Antenna will be installed on an existing wooden pole and the equipment installed in an existing building. No construction is involved. The site is an existing antenna farm.

Radiation Compliance:

Non-ionizing radiation at ground level head height is less than the allowable public exposure limit. No special precautions are required.

Respectfully submitted,
