

Amendment to Assignment of License Application

The parties to this Agreement hereby agree that the geographic scope of the noncompete provisions contained in Section 4.2 of the Asset Purchase Agreement are amended to provide that they will be limited to being enforced to areas within the 2.0 mV/m contour of the AM stations involved in the transaction and the 1.0 mV/m for the FM stations rather than considered by BIA/Kelsey to the areas considered by BIA/Kelsey as being in the same home market as that of any of the Stations. The parties also agree that the non-compete term will not extend beyond the renewal term for any FCC license assigned in the instant transaction.
