Dear Mr. Smith,

Pursuant to the Debt Collection Improvement Act of 1996¹ and section 1.1910 of the Commission's rules,² the Commission must examine applications to determine if the applicant is delinquent in any non-tax debt owed to the Commission. This letter is to notify you that the applicant is delinquent on the payment of debts owed to the Federal Communications Commission. Please note that if full payment or satisfactory arrangement to pay the delinquent debt is not made within 30 days of the date of this letter, the subject application will be dismissed, as required by section 1.1910(b)(3) of the rules.³ As of the date of this letter, the Commission has not received payment of the debts nor have satisfactory payment arrangements been made. Any questions regarding this debt should be directed to the Financial Operations Group Help Desk at 1-877-480-3201, Option 6, or via email to: ARINQUIRIES@fcc.gov.

Further action on the subject application will be withheld for a period of thirty (30) days from the date of this letter to resolve this debt. Failure to respond within this time period and to resolve this debt will result in the dismissal of the application pursuant to sections 0.283, 1.1910(b)(3) and 73.3568(a)(1) of the Commission's rules.⁴ For additional information concerning the status of the Station's license renewal application please email radioen@fcc.gov.
