

Request for Extension of Silent Special Temporary Authority

Station KLMR-FM, Lamar, Colorado (Facility ID 175)

Riverside Communications, LLC (“Riverside”), licensee of station KLMR-FM, Lamar, Colorado (the “Station”), respectfully requests an extension of the Station’s existing silent Special Temporary Authority (“STA”) for authority to remain off-air as needed through September 21, 2023.

The Station went silent on September 21, 2022, due to financial reasons. On October 11, 2022, counsel for the Station’s previous owner applied for, and was granted, silent STA, which will expire on April 24, 2023. *See* LMS File Number 202133. On March 1, 2023, the Station’s sale to Riverside was consummated. *See* LMS File Number 211629. Riverside is working diligently to finalize tower arrangements and return the station to operation, but needs additional time to do so. An extension of silent STA will serve the public interest by allowing additional time to finalize plans for restoration of the station’s broadcast service.
