**Application for License to Cover**

This application is for a license to cover construction of Minor Modification Application # 0000204835. The facility is built in accordance with the Construction Permit with one exception. The Primary Station will remain WLYC(AM) as opposed to changing to WCFT-FM-HD4. This application for license to cover duly notes WLYC as the primary station.

A map is attached that demonstrates adherence with FCC rules considering the continuation of WLYC(AM) as the primary station.
