

## MODIFICATION OF LICENSE

Translator W210CD Hendersonville TN  
FACID 64258

## PURPOSE OF APPLICATION

This license application is filed to notify of a change in primary for the translator station herein, and to reduce operating power to that of a non-fill in facility. No technical changes are proposed other than reduction in licensed ERP.

The primary station is a commonly owned non-commercial educational facility and the noncommercial translator station is being fed by alternative means per permitted FCC rules.
