

CSN International, Inc.
Statement in Support of Transfer of Control Application

This long form transfer of control application is being filed in response to the request of the FCC staff.

CSN International, Inc. ("CSN") has a primary Board of Directors and an Executive Committee Board. The Executive Committee Board was delegated the authority to manage the day-to-day business of CSN's broadcast stations. The most recent members of the Executive Committee are Michael Kestler with 88% voting power, and Ariel Kestler with 12% voting power. To date, CSN's FCC Ownership Reports and ownership questions on various FCC applications have reflected CSN's principals to be Michael Kestler (88%) and Ariel Kestler (12%).

Until recently, CSN's primary Board of Directors was comprised of Michael Kestler, Crystal Pamplona and Jon Geever, each with 33.3% voting power.

The FCC's staff has directed CSN to use the composition of its primary Board of Directors for ownership structure reporting purposes. On December 6, 2022 actions were taken by CSN to replace Jon Geever with Ariel Kestler on the primary Board of Directors. Copies of the corporate Notice and associated Minutes of the Special Meeting are attached. The primary Board of Directors is now comprised of Michael Kestler, Ariel Kestler and Crystal Pamplona, each with 33.3% voting power.

As a result of these corporate actions, the FCC staff has directed CSN to file for a transfer of control from the old primary Board of Directors to the new primary Board of Directors.
