

**REASON FOR AMENDMENT**

**WKOP-TV LICENSE RENEWAL**

When the instant renewal application for station WKOP-TV was originally submitted, it was associated with a Broadcast EEO Program Report submission that inadvertently contained incorrect EEO Public File Report attachments (LMS File No. 0000120699). Per the request of the Commission, a new Broadcast EEO Program Report has been submitted with the proper EEO Public File Report attachments for 2020 and 2021 (LMS File No. 0000213893). The instant application is hereby amended to associate the new, correct Broadcast EEO Program Report filing with the WKOP-TV license renewal.
