Reduced Power Notification

Deerfield Media (Reno) Licensee, LLC (“Deerfield”), licensee of KNSN-TV, Reno, NV (Facility ID 19191) (the “Station”) hereby notifies the FCC that the Station began operating at reduced power on April 7, 2023. The Station is currently operating on a temporary transmitter while electrical work is being completed to accommodate a new transmitter. Deerfield expects to need to continue operating at reduced power for approximately 90 days and will separately file an Engineering STA request.
