**MEMORANDUM OPINION AND ORDER  
AND  
NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

**Adopted: April 18, 2023**

**Released: April 18, 2023**

By the Chief, Video Division, Media Bureau:

**I. INTRODUCTION**

1. The Media Bureau (Bureau) has before it the applications (Applications)<sup>1</sup> of Elko Television District (Licensee), for renewal of its license for Stations K32GK-D, Elko, NV; K34HE-D, Elko, NV; K36HA-D, Elko, NV; K35OI-D, Starr Valley, NV; and K28PJ-D, Elko, NV (Stations). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture (NAL)*, we find the Licensee apparently willfully violated section 73.3539(a) of the Commission's rules (Rules)<sup>2</sup> by failing to timely file a license renewal application for the Stations. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of seven thousand five hundred dollars (\$7,500).

**II. BACKGROUND**

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed."<sup>3</sup> The applications for renewal of the Stations' licenses should have been filed by June 1, 2022, the first day of the fourth full calendar month prior to the Stations' licenses expiration date of October 1, 2022.<sup>4</sup> However, the Licensee did not file the Applications until September 28, 2022. The Licensee did not provide an explanation for the late filings.

As is permitted, the licensee filed for renewal of the of the licenses of stations K32GK-D, K34HE-D, K36HA-D, and K35OI-D in a single renewal application. ### III. DISCUSSION

3. *Proposed Forfeiture.* We find that the Licensee is apparently liable for a forfeiture in the amount of \$7,500. In this case, the Licensee failed to file the Applications on or before June 1, 2022, as required by section 73.3539(a) of the Rules.<sup>5</sup> The Applications were not received until September 28, 2022, over three month late.<sup>6</sup>

4. Pursuant to section 503(b)(1)(B) of the Communications Act of 1934, as amended (Act), a person who is found to have willfully and/or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission, shall be liable to the United States for a forfeiture penalty.<sup>7</sup> Section 312(f)(1) of the Act defines willful as “the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.<sup>8</sup> The legislative history to section 312(f)(1) of the Act clarifies that this definition of willful applies to both section 312 and 503(b) of the Act,<sup>9</sup> and the Commission has so interpreted the term in the section 503(b) context.<sup>10</sup> Section 312(f)(2) of the Act provides that “[t]he term ‘repeated,’ when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day.”<sup>11</sup>

5. The Commission’s *Forfeiture Policy Statement* and section 1.80(b)(10) of the Rules establish a base forfeiture amount of \$3,000 for failure to file a required form or information.<sup>12</sup> In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in section 503(b)(2)(E) of the Act, including “the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”<sup>13</sup>

6. In this case, the Licensee failed to timely file a license renewal application for five (5) stations, as required by section 73.3539(a) of the Rules.<sup>14</sup> The Licensee did not provide an explanation for the late filings. Taking into consideration all of the factors required by section 503(b)(2)(E) of the Act and the *Forfeiture Policy Statement*,<sup>15</sup> we will reduce the forfeiture from the base amount to \$1,500 per station for the failure to file a timely renewal application, because, as digital television translators, the Stations are providing a secondary service.<sup>16</sup> Furthermore, as translators the Stations are not originating

programming, but instead providing important “fill-in” service to areas that otherwise may be unable to received over-the-air television signals. Because the Application includes five (5) stations the total proposed forfeiture amount is \$7,500.

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission’s decision is governed by section 309(k) of the Act.<sup>17</sup> That section provides that if, upon consideration of the application and pleadings, we find that: (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.<sup>18</sup> If, however, the licensee fails to meet that standard, the Commission may deny the application—after notice and opportunity for a hearing under section 309(e) of the Act—or grant the application “on terms and conditions as are appropriate, including renewal for a term less than the maximum otherwise permitted.”<sup>19</sup>

8. We find that the Licensee’s apparent violation of section 73.3539(a) of the Rules<sup>20</sup> does not constitute a “serious violation” warranting designation of the Application for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, constitute a pattern of abuse.<sup>21</sup> Further, based on our review of the Application, we find that the Stations served the public interest, convenience, and necessity during the subject license term. We will therefore grant the Application by separate action upon the conclusion of this forfeiture proceeding if there are no issues other than those set forth in this *NAL* that would preclude grant of the Application.

Any claim of inability to pay must specifically identify the basis for the claim by reference to the financial documentation submitted. Inability to pay, however, is only one of several factors that the Commission will consider in determining the appropriate forfeiture, and we have discretion to not reduce or cancel the forfeiture if other prongs of section 503(b)(2)(E) of the Act support that result.<sup>32</sup>
