

AGREEMENTS

Assignor has responded “No” to the following certification in the Application form:

Assignor certifies that: (i) it has placed in Assignor's public inspection file(s) and submitted to the Commission as an Exhibit to this application copies of all agreements for the assignment/transfer of the station(s); (ii) these documents embody the complete and final understanding between Assignor and Assignee; and (iii) these agreements comply fully with the Commission's rules and policies

The “no” response was provided only with respect to (ii) above because all Schedules and two of five Exhibits to the separately attached copy of the parties’ Asset Purchase Agreement (“APA”) have been omitted because they contain information that is not germane to the Commission’s review of the application and/or information deemed confidential. See *LUJ, Inc. and Long Nine, Inc.*, Memorandum Opinion and Order, 17 FCC Rcd. 16980 (2002).

The following Schedules and Exhibits to the APA have been omitted:

APA SCHEDULES

- 1.1(a) – FCC Licenses
- 1.1(b) – Tangible Personal Property
- 1.1(e) – Intangible Property
- 1.4(b) – Wire Transfer Instructions
- 2 – Governmental Compliance

APA EXHIBITS

- D. Form of Sublease for Tower Site
- E. Form of Time Brokerage Agreement (“TBA”) is omitted because an executed copy of the TBA described below is included.

Submitted in response to the Certification in the Application form is a copy of a TBA pertaining to Assignee’s programming of Station WGNU, St. Louis, MO (Fac. ID 49042), which is licensed to Assignor’s affiliate, 920 AM, LLC. It is not contemplated that Assignee will provide KXEN and K264CY with programming. However, a copy of the TBA is submitted with this application as a matter of completeness because the TBA is contemplated by the attached APA. (The transactions contemplated by the APA include not only the sale of Stations KXEN and K263CY to the Assignee, but also the sale of WGNU to the Assignee.) Copies of the TBA and APA are also included in the separate assignment application for WGNU that is being filed contemporaneously herewith.
