

SOUTHEASTERN LOUISIANA UNIVERSITY

DEPARTMENT OF INTERCOLLEGIATE ATHLETICS

May 3, 2023

To Whom It May Concern:

I am the General Manager at Southeastern Louisiana University's radio station, KSLU 90.9 FM, in Hammond, Louisiana.

Please be advised KSLU-FM returned to the air on April 30, 2023. The station currently has an STA to remain silent (File No.0000190921).

The station is operating from a transmitter location approximately 1,700 feet from the original transmitter site. The facility consists of a one-bay, circular polarized antenna (Nicom model BKG77). Transmit power input to the antenna is approximately 1,200 watts. ERP is estimated to be approximately 600 watts. Center of radiation is approximately 105 feet.

Southeastern Louisiana University and KSLU are committed to public broadcasting for our community.

Respectfully,

Damon Sunde
Assistant Athletic Director for Broadcast Services
General Manager, KSLU Radio
