

Amendment to Suspension of Operations and Silent Authority STA Request

Counsel for Licensee files this Amendment to correct the Station Status Date on its initial filing. Station WPXO-LD, East Orange, New Jersey went silent on June 13, 2022, not June 6, 2022, as stated in the initial filing. Counsel inadvertently inputted the incorrect status date.

In support of this correction, Licensee submits the attached correspondence sent by Licensee to Counsel on June 15, 2022 describing the date on which the Station went silent. The correspondence was written in Spanish.

The following English-language translation, of the body of the email, generated by Google Translate, is provided for the Commission's convenience in reviewing this Amendment:

Mr,

Effective last Monday, the channel 8 WXPO, ACV NY signal was turned off, as of yesterday the equipment was removed from the facilities and the different providers were notified as well as the customers.

Frank, We need to notify the FCC and request an STA for that signal.
