Subject: 0000214673 - Within 121 km

Good morning,

I began to review 0000214673 (WNKY-LD) and found that it is within 121 km of a top 100 market. Since this permit resulted from an application filed in the 2009-2010 rural filing period, it needs to specify a location more than 121 km away from the top 100 markets. See the PN announcing it here: <https://docs.fcc.gov/public/attachments/DA-09-1487A1.pdf>

Specifically, this proposal is 111.3 km from the reference coordinates of Nashville, TN.

You have 30 days to amend this application and resolve the issue or it will be dismissed.
