Re: Construction Permit Expirations

Dear Former Permittee:

This is with respect to the expired construction permits listed in the attached Appendix. Commission records indicate that you failed to file an application for license to cover by the construction permit expiration dates.<sup>1</sup>

Section 73.3598(e) of the Commission's rules states that:

Any construction permit for which construction has not been completed and for which an application for license or extension of time has not been filed, shall be automatically forfeited upon expiration without any further affirmative cancellation by the Commission.<sup>2</sup>

As such, the construction permits were automatically forfeited.

Accordingly, pursuant to sections 73.3598(e) of the Commission's rules, the construction permits for the stations referenced in the Appendix have been **AUTOMATICALLY FORFEITED** and the call signs have been **DELETED**.<sup>3</sup> All authority to construct the stations have been **TERMINATED**.

Sincerely,

/s/

Mark Colombo  
Associate Chief, Video Division  
Media Bureau

<sup>3</sup> This letter is being sent as a courtesy. Cancellation of the stations' construction permits and deletion of call signs by Media Bureau staff in the Licensing and Management System (LMS) is an administrative function and does not constitute an official Commission action nor require any affirmative cancellation by the Commission.
