Thank you for your phone message in response to my call to you. I am attempting to file a Resumption of Operations in the LMS file, but I am unsuccessful in finding that option. Where may I find guidance to do that? Your help is very much appreciated.

Dear Ms. Williams, Mr. Bickel and Ms. McCauley:

On September 30, 2022 we emailed you a notice of resumption of broadcasting on September 29, 2022. It appears that we are still listed as silent so I am forwarding our email to you. I also left a voicemail for Ms. Williams and Ms. McCauley today about our notice. I dialed Mr. Bickel's phone a number of times but the call would not connect.

It would be appreciated if you could let us know if we need to prepare anything further or file anything on the LMS or CDBS Electronic Filing Systems.

Thank you in advance for your assistance.
