

Multiple Ownership

The station proposed to be acquired by JVC Media LLC, WLIM (AM), Medford, New York is located in the Nassau-Suffolk rated market. As is shown in the attached BIA Market Report, that market contains a total of 47 commercial and noncommercial full-power stations. Under Section 73.3555(a)(1)(i) of the Commission's rules, in markets with 45 or more commercial and noncommercial stations, a single entity may have cognizable interests in licenses of not more than eight commercial full-power radio stations, and not more than five in the same service. With grant of the instant application, the proposed assignee will be the licensee of four full-power FM radio stations and one full-power AM radio station in the Nassau-Suffolk market, which is within the limits established under Section 73.3555(a)(1)(i). No other persons or entities with attributable interests in the licensee have cognizable interests in any other stations in this market. Accordingly, grant of the instant assignment application would not contravene the Commission's multiple ownership rules.
