

NCE Conversion Application

Applicant is the proposed assignee of the subject station's license in pending application LMS 0000216676 and seeks a conversion of the station to noncommercial status, contingent upon the grant of the license assignment application and consummation of the transaction. Applicant is an established broadcaster and licensee of multiple noncommercial educational stations. Applicable exhibits, including Section II of Form 2100, Schedule 340, are included herewith. Applicant respectfully requests grant of this NCE conversion application in conjunction with the grant of the assignment application.
