**LICENSE TO COVER CERTIFICATION**

Dear Sir,

This document will confirm that the facility described in FCC construction permit Blank 0000213088 was constructed and has met all technical and other requirements outlined in the construction permit.

This transmission system configuration for KJKZ will produce 3.0 kwatts ERP as indicated below in the transmitter system ERP calculation.

Transmission system ERP calculation:

Transmitter Power =	109 W	50.4 dBm
Transmission line loss =	87.5 %	-0.58 dB
<u>Antenna Gain =</u>	<u>31.6</u>	<u>15.0 dB</u>
System ERP =	3.0 kW	64.8 dBm

Sincerely,

Consulting Engineer
