

Involuntary Assignment of Licenses Exhibit

This application is for Commission consent to the involuntary assignment of the FCC licenses held by radio broadcast licensees Golden State Broadcasting, LLC (“Golden State”), Silver State Broadcasting, LLC (“Silver State”), and Major Market Radio, LLC (“Major Market”), each as a “Debtor In Possession” (“DIP”) entity, to their bankruptcy estates (the proposed assignees styled as “Bankruptcy Estate of Golden State Broadcasting, LLC”, “Bankruptcy Estate of Silver State Broadcasting, LLC”, and “Bankruptcy Estate of Major Market Radio, LLC”, or collectively, the “Bankruptcy Estates”), in each case with each of the Bankruptcy Estates controlled by Michael W. Carmel, Esq., Chapter 11 Trustee (“Trustee”), who has been appointed as the trustee in the Chapter 11 bankruptcy proceedings for those entities and their broadcast stations. A copy of the bankruptcy court’s order appointing Trustee is attached to this exhibit (the “Trustee Appointment Order”).

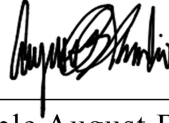

The following is a summary of the relevant licensee entities, with their FCC registration numbers (“FRNs”), and their broadcast stations (with their Facility ID (“FID”) numbers), that are included under the appointment of the Trustee:

Golden State DIP, FRN 0031937584, KREV(FM) Alameda CA (FID#36029)

Major Market DIP, FRN 0031766314, KRCK-FM Mecca CA (FID#52808) and FM translators K238AK Palm Desert CA (FID#147714) and K251BX Palm Desert CA (FID#150925)

Silver State DIP, FRN 0031766140, KFRH(FM) North Las Vegas NV (FID#19062), KBET(AM) Winchester NV (FID#136292), and FM translator K276GX Las Vegas NV (FID#203222)

Please note that due to the Trustee Appointment Order, and is normally the case with involuntary assignment of license applications, the party previously approved by the Commission who ultimately controlled the FCC licensee DIP entities, Edward R. Stolz, II (“Stolz”), no longer has legal authority to certify (under penalty of perjury) that he is authorized to sign the assignor’s portion of this application, and therefore the Trustee is signing the assignor’s portion of this application (even prior to the Commission consent requested by this application). The responses to the questions in the assignor’s portion of the application are based on the responses to those questions in recent filings by the DIP entities, after consultation with FCC counsel for those entities.
