Hello Ms. McCauley,

This email is to inform you that 91.5 WSDH-FM in Sandwich, Massachusetts, a non-comm educational station located at Sandwich High School, went silent on Friday June 16th - we have powered down our transmitter as we are having work done to the roof where our antenna structure is. Our antenna will be temporarily taken down as roof work is completed, and then replaced back to the same position. We anticipate this work to take approximately three to four weeks and hope to resume normal operation around July 14th. I will inform you should this date change, or should it happen to go beyond 30 days I will file an official STA. Thanks very much,
