

**Request for Special Temporary Authority (Technical/Engineering)**

SagamoreHill of Kansas City Licenses, LLC (“SagamoreHill”), licensee of KGKC-LD, Channel 33, Lawrence, Kansas – FCC Facility ID No. 130417 (the “Station”), hereby respectfully requests special temporary authority to operate with parameters at variance with the Station’s licensed facilities.

Specifically, SagamoreHill requests authority to temporarily operate the Station at a reduced ERP of 5 kW while the Station’s transmitter is being repaired. The Station’s licensed ERP is 15 kW.

Grant of this request for Special Temporary Authority to operate the Station at reduced power will promote the public interest by allowing SagamoreHill to continue providing free over-the-air programming to the Station’s community and surrounding area while the repair to its transmitter is being accomplished.
