Amendment to Experimental STA Request

Milachi Media, LLC (“Milachi”) hereby respectfully files this amendment to its pending request for approval of experimental special temporary authority (“STA”) (File No. 0000216484), to utilize WWOO-LD, Channel 28, licensed to Westmoreland, New Hampshire (Facility No. 186685), to conduct testing of a new 5G-based radio service.

Milachi hereby clarifies that it is requesting STA for a six-month period, and that WWOO-LD is not carried by any multichannel video programming distributors, and thus no MVPD systems or viewers will be impacted by a grant of this request.
