

Educational Media Foundation (EMF) has changed the feed signal for licensed translator K249ED Albertville, MN, FCC ID Number 141741, to rebroadcast the programming of full-power station KQQL-HD4 Anoka, MN, FCC ID Number 54457, with permission from IHM Licenses, LLC, as received directly off air. The translator is a fill-in of the station. The primary station is not an AM station, and therefore was not part of AMR 2017-2018 windows.

Below is a contour exhibit showing the protected contours of the primary and translator signals.
