Scott,

This letter/email is to inform you that Dupage Radio, LLC. has built the FM translator Construction permit(FCC #0000211529) for W272DQ licensed to Elmhurst on 102.3 FM.

The WMVP AM 1000 transmitter site is 1.81 km away from the W272DQ FM transmitter site.

Dupage Radio, LLC has taken pre and post construction measurements of the WMVP day and Night monitor points.

Please see below the WMVP Pre/Post measurements:

	Pre Measurements 04/12/23	Post Measurements 07/01/2023
Day		
196.5(4.47 km)	178 mV/m	178
324.5(4.37 km)	171 mV/m	172
Night		
227.5(3.84 km)	22 mV/m	23
292.0(4.93 km)	58 mV/m	58

Field Strength measurements taken with a PI FIM 21 (901) Calibrated 04/22

Thank you in advance.

Matt Dubiel-President Dupage Radio, LLC
