

Request for Program Test Authority

Due to technical issues with LMS in submitting this application for a license to cover a construction permit for a directional AM facility, iHM Licenses, LLC ("iHM"), the licensee of WIOD(AM), Miami, Florida, was unable to respond to the Program Test Authority questions on Form 302-AM to reflect that iHM is requesting by this application program test authority in accordance with 47 CFR Section 73.1620, and that WIOD(AM) is not operating pursuant to program test authority in accordance with 47 CFR Section 73.1620. Specifically, the intended responses to the Program Test Authority questions in Form 302-AM are:

Frequency and Facility Information

Section	Question	Response
Program Test Authority	The application is operating pursuant to automatic program test authority in accordance with 47 CFR 73.1620	No
	The applicant is requesting program test authority in accordance with 47 CFR Section 73.1620	Yes
