

**Request for Special Temporary Authority to Operate at Reduced Power**

Entravision Holdings, LLC (“Entravision”), the licensee of FM station KNTY, Sacramento, California, hereby respectfully requests Special Temporary Authority *nunc pro tunc* to continue to operate at a reduced power of approximately 60% of its authorized TPO, but otherwise at the parameters of its current license. Entravision filed an STA request for reduced power on January 19, 2023 (see File No. 0000207243).<sup>1</sup> Entravision expects to complete the repairs needed to return the facility to full power with the next 45-60 days, but requests that it be granted a 180 day STA for KNTY until the station can be returned to full power operation.

<sup>1</sup> The FCC previously granted Entravision authority to operate at reduced power, but that authorization was inadvertently allowed to expire on July 25, 2023.
