Re: IHM LICENSES, LLC; FRN 0014042816  
Request to extend STA – BSTA-20230120AAB  
WHJJ (AM), 920 kHz, Providence, RI, Fac ID No. 37234

Dear Ms. Dortch:

On behalf of IHM LICENSES, LLC, licensee of WHJJ (AM), 920 kHz, Providence, RI, Fac ID No. 37234 (the “Station”), this letter is to request the extension of STA file no. BSTA-20230120AAB. WHJJ requests an extension of the STA to continue troubleshooting and repair of the nighttime array. Progress has been made in isolating a failed sample line and temp repairs were made, but due to the age of the sample line it is requiring extended time to locate the proper connectors for permanent repair. Additionally, ground system repairs have been made to 31 radials to stabilize the southeast tower readings in the night array.

We believe it is in the public interest for the station to continue to operate while we continue to make repairs.

Please direct any inquiries regarding this matter to the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Troy Langham".
