

99.3 dBu Contour at 240 m Radius

The screenshot displays a GIS application interface. At the top, a green navigation bar contains the text "Help Data Download Services" and a search bar with the placeholder "Find address or place". Below the navigation bar is a toolbar with various icons for map navigation and analysis. The main map area shows an aerial view of a golf course and surrounding forested areas. A large purple circle, representing a 240m radius range ring, is centered on a small orange diamond marker on the map. In the bottom left corner, the map's scale is shown as "300ft" and the coordinates are "-75.919 42.120 Long Lat". On the right side, a "Range Ring" configuration panel is open, featuring a "Deactivate" button, input fields for "Number of Rings" (set to 1), "Distance" (set to 240), and "Unit" (set to Meters), and buttons for "Draw Rings" and "Remove Rings".
