July 27, 2023

SUPPLEMENTAL INFORMATION

The licensee's antenna has been converted to an Epol antenna by the antenna manufacturer. The polarization ratio is 70/30. The new antenna model number is ATC-BCE512CEC-V1-26. No other changes are being made to the equipment or location.

Sincerely,

A handwritten signature in black ink that reads "Greg Best, PE". The signature is written in a cursive style with a horizontal line extending from the end.

President
