

**CERTIFICATION**

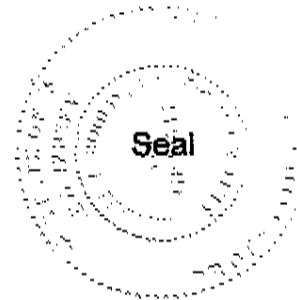

I, Michael L. Bohlinger, PE, certify that I am a licensed Professional Engineer in the State of New Jersey, with the firm of KM Consulting Engineers, Inc.

I have examined the transmitting antenna for WIBG-FM and determined the antenna to be oriented in the direction of our survey marker placed at 127 1/2 degrees with respect to true geodesic north. The survey markers were placed in accordance with the antenna manufacturers representative's instructions.

To Whom it May Concern:

RE: Installation of WIBG-FM Antenna

This is to certify that I, Warren Whelan installed and/or personally supervised the installation of a Shively 3 bay directional FM Antenna 6810-3R-SS-EF for use by WIBG-FM as its main antenna. I certify that the antenna was installed pursuant to the instructions provided by the manufacturer of the antenna. The true geodesic North bearing shot with transit and the 127.5 degrees achieved and confirmed at the northernmost right corner of neighbors inground inground swimming pool at 350' from the center of the tower.

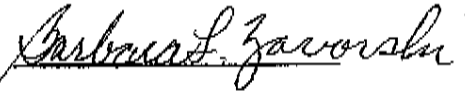

I own Whelan Enterprises, 8 Guria Street, East Brunswick, NJ installing antennas for hundreds of clients around the country. Whelan Enterprises is aa member of NATE.
