

DESCRIPTION OF TRANSACTION

This application notifies and seeks the Commission's consent to the involuntary *pro forma* transfer of control of the licensee of KTAS, San Louis Obispo, CA (FID 12930). Raul and Consuelo Palazuelos were joint licensees of KTAS, with each holding 100% voting control (See Biennial Ownership Reports, most recently: File No. 170353). The involuntary transfer of control resulted from the death of Mr. Palazuelos on July 13, 2023.

Following Mr. Palazuelos' death, his wife became the sole licensee of KTAS. This transaction is *pro forma* because Mrs. Palazuelos, whose ownership has previously been passed upon in a long-form application,¹ had control of the station prior to her husband's death and continues to have control. Other than described herein, no other changes to the ownership or management of KTAS are contemplated. As this assignment was involuntary due to Mr. Palazuelos' death, there is no written agreement or other documentation of the assignment.

Accordingly, Mrs. Palazuelos respectfully submits that the public interest will be served by a grant of this application.
