

Request for Extension of Special Temporary Authority

Townsquare Media Presque Isle License, LLC (“Townsquare”), licensee of WOZI(FM), Presque Isle, Maine (Facility ID No. 41007) (“WOZI”), hereby requests an extension of Special Temporary Authority (“STA”) to operate WOZI at reduced power. *See* LMS File No. 0000211197.

As explained in the previous STA request, the failure of WOZI’s exciter has forced the station to operate at reduced power (50% of licensed power). Townsquare contracted a vendor for repairs, but the vendor’s delay prevented Townsquare from completing the repairs.

Since grant of the STA, vendor delays continue to prevent the completion of repairs to WOZI’s exciter. Accordingly, Townsquare respectfully requests an extension of STA to operate WOZI with reduced power until the repairs to the station’s exciter are completed and the station resumes operations at full power.
