

## W293BW 106.5 ALLENTOWN APPLICATION INFORMATION

This application proposes to modify BLFT-20150330ABZ, the W293BW License. This application proposes a different power, height, location, and antenna. Included as an exhibit is a map showing that this proposed location's 60 dBu contour overlaps the current Licensed 60 dBu contour of W293BW. As such, a Minor Change is allowable.

It should be noted that this FM Translator proposal will rebroadcast non-commercial FM station WLHI, Schnecksville, PA (Fac. ID number 36983).
