

Purpose of Application

§ 74.1233(a)(1) Mattoon waiver: This application requests a Mattoon Waiver by simply in accordance with the waiver granted for the move of W263AQ (DA-11-1495), the proposed Channel 242 facility is mutually exclusive with the licensed K243BD facility because the proposed 40 dBu (50:10) interfering contour overlaps the licensed K243BD 60 dBu (50:50) contour as demonstrated in this Technical Statement. See The Cromwell Group, Inc. Of Illinois, Letter, 26 FCC Rcd (12685) (MB2011)
