Re: American Christian Television Services, Inc.  
WNHO-LD Consent to Temporarily Link Call Sign to Assignee FRN

Mr. Simon,

I am writing on behalf of American Christian Television Services, Inc. ("ACTS"), licensee of WNHO-LD (Facility ID No. 73389), for which I am outside counsel. The purpose of this letter is to request and provide consent on behalf of ACTS for the FCC to associate the call sign for WNHO-LD with the FRN for the assignee of the station's license – Metro Video Productions, Inc. ("Metro").<sup>1</sup> Such association is needed in order to facilitate the assignee's filing of an application to modify the facilities of the station. The FRN for Metro is 0003745726 and, to the extent needed to facilitate the linkage, the FRN for ACTS is 0004378071.

Please let me know if anything additional is needed in order to process this request.

Respectfully submitted,

A handwritten signature in blue ink that reads "Eve Reed".

Eve Klindera Reed

CC: Kevin Bowers, President of American Christian Television Services, Inc.

<sup>1</sup> The Commission has consented to the assignment of the license but the assignment has not yet been consummated. See LMS File No. 0000217857.
